Income Items

\*Discussion on needing to bring in \$5,500 for open hockey this summer. Could we sell passes for the summer? \$100 and a sticker for their helmet, are there sponsorships to ask for?

Ben and Courtney need to work on creating a Marketing committee and work with BYHA to see if DIBS could be offered to help with the group that would benefit BCA.

\*Use agreement with BYHA needs to be updated. A group should be created similar to the school district/city of Bemidji committee.

\*Beltrami Electric – need to have another meeting with BE and our board, invite Jake and get an understanding of our options for the summer months – do not approve final budget until we have this meeting.

\*Put on April 5 board agenda
